DECISION

This is in response to applicant's communication requesting withdrawal of the holding of abandonment in the above reference application. The communication was filed in the United States Patent and Trademark Office, PCT Legal Office, via facsimile on 05 May 2005.

On 07 September 2004, within the thirty month deadline for filing a national stage application, applicant filed a transmittal requesting entry into national stage under 35 U.S.C. 371 and a declaration signed by the inventor. The basic national fee, a requirement under 35 U.S.C. 371(c), was submitted in the form of a bank check in the amount of \$585 U.S. dollars. The amount of the check, however, was written in the Spanish language.

On 02 March 2005, a Notification of Abandonment was mailed to applicant indicating that applicant had not fulfilled all the requirements of 35 U.S.C. 371(c)(1), (c)(2) and (c)(4) because applicant failed to provide the basic national fee by 30 months.

In the communication received on 05 May 2005, applicant alleges that he filed a check for \$585 for the basic national fee. Applicant included, *inter alia*, a photocopy of the bank receipt (in the Spanish language) for the purchase of the cashier's check for the amount of \$585 in U.S. dollars.

### DISCUSSION

A review of the application file reveals that the request for entry into the U.S. national stage was filed on 07 September 2004. Applicant submitted a bank check in the amount of \$585 for payment of the basic national fee. The amount of the check was written in the Spanish language and created some confusion. The check was submitted to the USPTO bank handling U.S. funds only; it should have been deposited with the USPTO bank handling international funds. Upon inquiry from applicant in May 2005, the Office of Finance returned the original bank check to applicant.

LED 17 2005  
RECEIVED

In his communication filed on 05 May 2005, applicant requests that the holding of abandonment be withdrawn since he paid the basic national fee with his request for entry into the U.S. national stage.

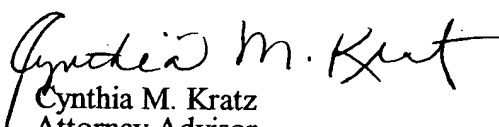

In light of the above stated circumstances, the holding of abandonment will be vacated upon payment of the basic national fee, in compliance with 35 U.S.C. 371( c). Applicant is advised to submit payment in the amount of \$585 (U.S. dollars), and if possible, in the English language.<sup>1</sup>

### CONCLUSION

For the reasons stated above, the request to withdraw the holding of abandonment is held in abeyance to await applicant's response to this decision.

The proper reply is the submission of the basic national fee of \$585 paid in U.S. dollars.
